

Success Story

Mr. Mohammad Moqim is living in Kunduz city of Kunduz province and in 2017, he returned to Afghanistan from Pakistan. In the first days of his return, he was faced with poverty and unemployment. Lastly, he was introduced by KOSA to NSDO for engaging him in the SEDEP program, especially in the startup business of beekeeping for IDPs and Returnees in 2018 based in Kunduz province. He received the technical training of beekeeping launched by NSDO and after SEDEP supported him 2 beehives and other equipment of beekeeping to do

start the business. Referencing an interview with NSDO; he produces 8 – 10 Kgs of honey from per beehive and for the next years will be improved. Now, he is standing and fighting against poverty and supporting his family through a beekeeping business based in Kunduz province.
