

**New Way Social and Development Organization**  
**NSDO**  
**Request for Quotation (RFQ)**  
**Project Title: AWARE Project WABCs & EB Program**

## **Organization Background and Project Information:**

NSDO is a development, advocacy, and humanitarian organization established in 2011 and registered with the Ministry of Economy, Government of Afghanistan. NSDO is based in Kabul, with programming hubs across the north and northeastern provinces of the country. NSDO strives to empower the vulnerable and marginalized communities suffering from the impacts of war, natural calamities, poverty, and injustice. Additionally, NSDO is also working on the idea of integrated development, which encompasses socio-economic, cultural and good governance. Community Empowerment is the core to NSDO's strategy to engage with grass-root groups and communities to address the root causes of poverty, inequalities and injustice.

AWARE Program Aims to promote community business development through agricultural in different Value chains Dairy like Dairy, Vegetable etc. and cultivators and process of vegetables and saffron with supporting them to increase their income,

As a component of the program formed into Women's Agro- Business Collectives (WABCs) and women working together as Existing Business EB will be supported to access assets to start or expand their business. In order to achieve the project objectives and project requirement, NSDO would like to procure the required following items to fulfil training obligation.

## **Goal and Objectives of RFQ:**

The main purpose of this RFQ announcement is to increase the quality of required equipment and materials for procuring and requirements for running (WABCs) and EB programs in Kunduz province as well as considering transparency while collecting quotations from several suppliers and proposals from different potential vendors to create positive competition and pave more opportunities to find the best vendor with offering appropriate quote as well as with high quality as per the mentioned details and acceptable price.

## **How to fill the Quotes Form?**

1. Initially, review the quote form and carefully fill ONLY the price per unit plus total of each item.
2. The quotations ought to be computerized filled out and handwriting and correction is rejected.

3. Company profile and valid licence must be attached with quote form.
4. Sign and stamp the filled quote and send it in sealed envelope then send to the bellow given address within valid period of announcement, since late submission quote will not be considered by NSDO.

## Procedures:

The procedure is focused on analyzing of quotations by Technical Bid Evaluation committee and will select those venders which meet the given criteria and shortly check it out the materials quality, and price and other required related matters. The winner supplier will be called for contracting and while losers will be receiving a rejection call over the phone by NSDO's procurement department. soon after closing date of this announcement all collected RFQs will analyze by committee then within 10 days the winner vender will inform by NSDO for further process

## Selection Process:

1. The company/vendor and supplier must have at least 2-3 years experiences in suppling services and goods the governmental and non-governmental entities.
2. Fulfil properly the Quote form which is attached in bellow.
