

NEW WAY SOCIAL & DEVELOPMENT ORGANIZATION

Profile 2024

Fighting Poverty, Disease and Justice Together with People!

NSDO AT A GLANCE

In the year 2011, a seed of hope was planted. NSDO emerged as a grassroots organization from result of a collaborative effort.

The organization is registered with the Ministry of Economy, envisioned as a force for progress in humanitarian, development, and advocacy sectors to serving the most vulnerable and marginalized communities suffering from the impacts of war, natural calamities, poverty, and injustice.

NSDO is governed by a democratic board, we embarked on a mission to confront the deep-rooted challenges afflicting Afghan people.

EXECUTIVE DIRECTOR'S MESSAGE

Sayed Ismail Hashimi

Executive Director, NSDO

In 2024, NSDO empowers rural communities through integrated programs, addressing poverty and climate change, while emphasizing support for women and girls and highlighting the importance of collaboration for a prosperous Afghanistan.

OUR VISION

An Institutionally Developed, Healthy, And Peaceful Afghanistan.
At NSDO, we envision a developed, healthy, and peaceful Afghanistan. Committed to a brighter future, we focus on empowering rural communities, fostering sustainable development, and enhancing access to education and healthcare. By promoting local participation, capacity building, and environmentally friendly practices, we aim to boost agricultural productivity, support local enterprises, and create jobs, ultimately fostering self-reliance and economic independence.

OUR MISSION

NSDO is committed to contribute in eliminating poverty and injustice, providing healthcare services so that the people of Afghanistan live a prosperous and peaceful life.
We are committed to applying sustainable development approaches to empower the most marginalized. Our interventions are free from political, ethnic, and religious biases. We help the people in need without any discrimination or prejudice.

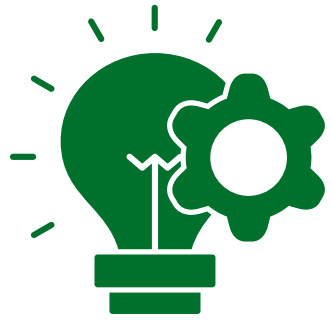

OUR CORE VALUES

We firmly adhere to the following core values in all of our actions:

OUR STRATEGY AND APPROACH

At NSDO, our commitment lays in bolstering livelihoods and enhancing the capacity of low-income communities in their battle against poverty. Our programs are designed to foster lasting, sustainable changes through community-led initiatives, with a primary focus on socio-economic, livelihood, capacity building, and environmental factors.

Recognizing that poverty alleviation requires a multifaceted approach, NSDO has developed holistic and integrated strategies to address this challenge.

These strategies encompassed four key priorities that have guided us during the past three years. Every project we undertake is aligned with these strategic goals, ensuring that we maximize our impact and effectiveness in the communities we serve.

OUR STRATEGIC GOALS

Gender Equality & Empowerment

Community Resilience and Social Cohesion

Sustainable Health and Well-being

Economic Empowerment and Livelihood Development

WE HOPE FOR A FUTURE WHERE:

People have equitable access to the essential amenities of life.

Communities are prospering and economically empowered.

People are protected from violence and conflicts.

OUR STRATEGIC PRIORITIES 2024-2028

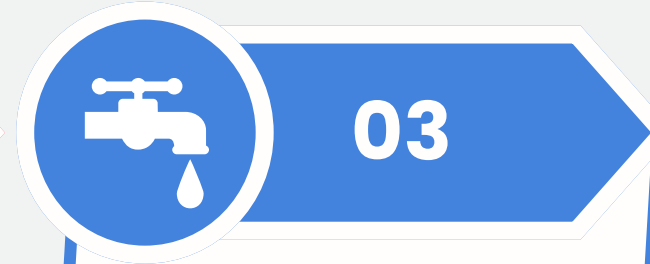

Gender Justice

To promote gender equality and justice by empowering women and girls, transforming social norms, preventing harmful practices, advocating for sexual and reproductive health rights, and addressing women and girls' rights from the perspective of Islam.

Social Cohesion and Community Empowerment

To strengthen social cohesion, promote community empowerment, and ensure the protection of people and communities at risk through effective conflict resolution, mediation, and psycho-social support.

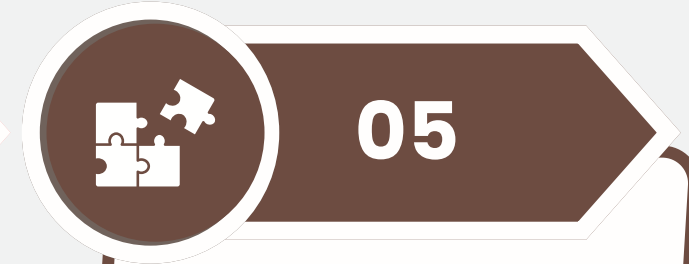

Water, Sanitation & Hygiene

To improve access to sustainable water, sanitation, and hygiene services, promote accountable management practices, and ensure inclusive and equitable access to sanitation facilities.

Food Security, Nutrition & Livelihood Sustainability

To enhance food security, improve nutrition outcomes, and promote sustainable livelihoods through climate-smart food production, nutrition-sensitive agriculture, and value chain development.

Education and Life Skill

To improve access to quality education, enhance life skills development, and support marginalized groups, including girls and adults, in gaining literacy and educational opportunities

OUR STRATEGIC PRIORITIES 2024-2028

06

Enterprise Development and Social Entrepreneurship

To enhance economic self-sufficiency and social entrepreneurship in communities by fostering enterprise development, supporting micro-small-medium enterprises, and promoting skill development.

07

Child Protection and Welfare

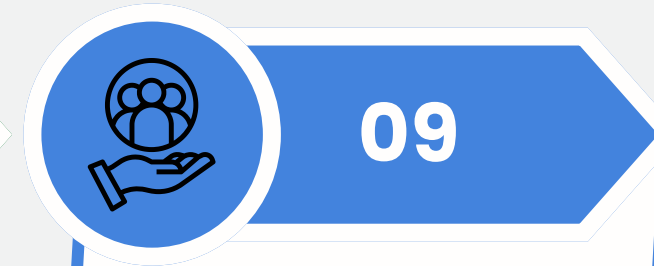

To enhance the safety, rights, and well-being of children by strengthening protection systems, promoting child rights, advocating against exploitation and abuse, providing mental health support, and fostering community engagement for positive change.

08

Climate Adaptation and Mitigation

To enhance resilience to climate change and promote sustainable environmental practices through ecosystem-based disaster risk reduction, adaptation strategies, faith-based advocacy, and renewable energy promotion.

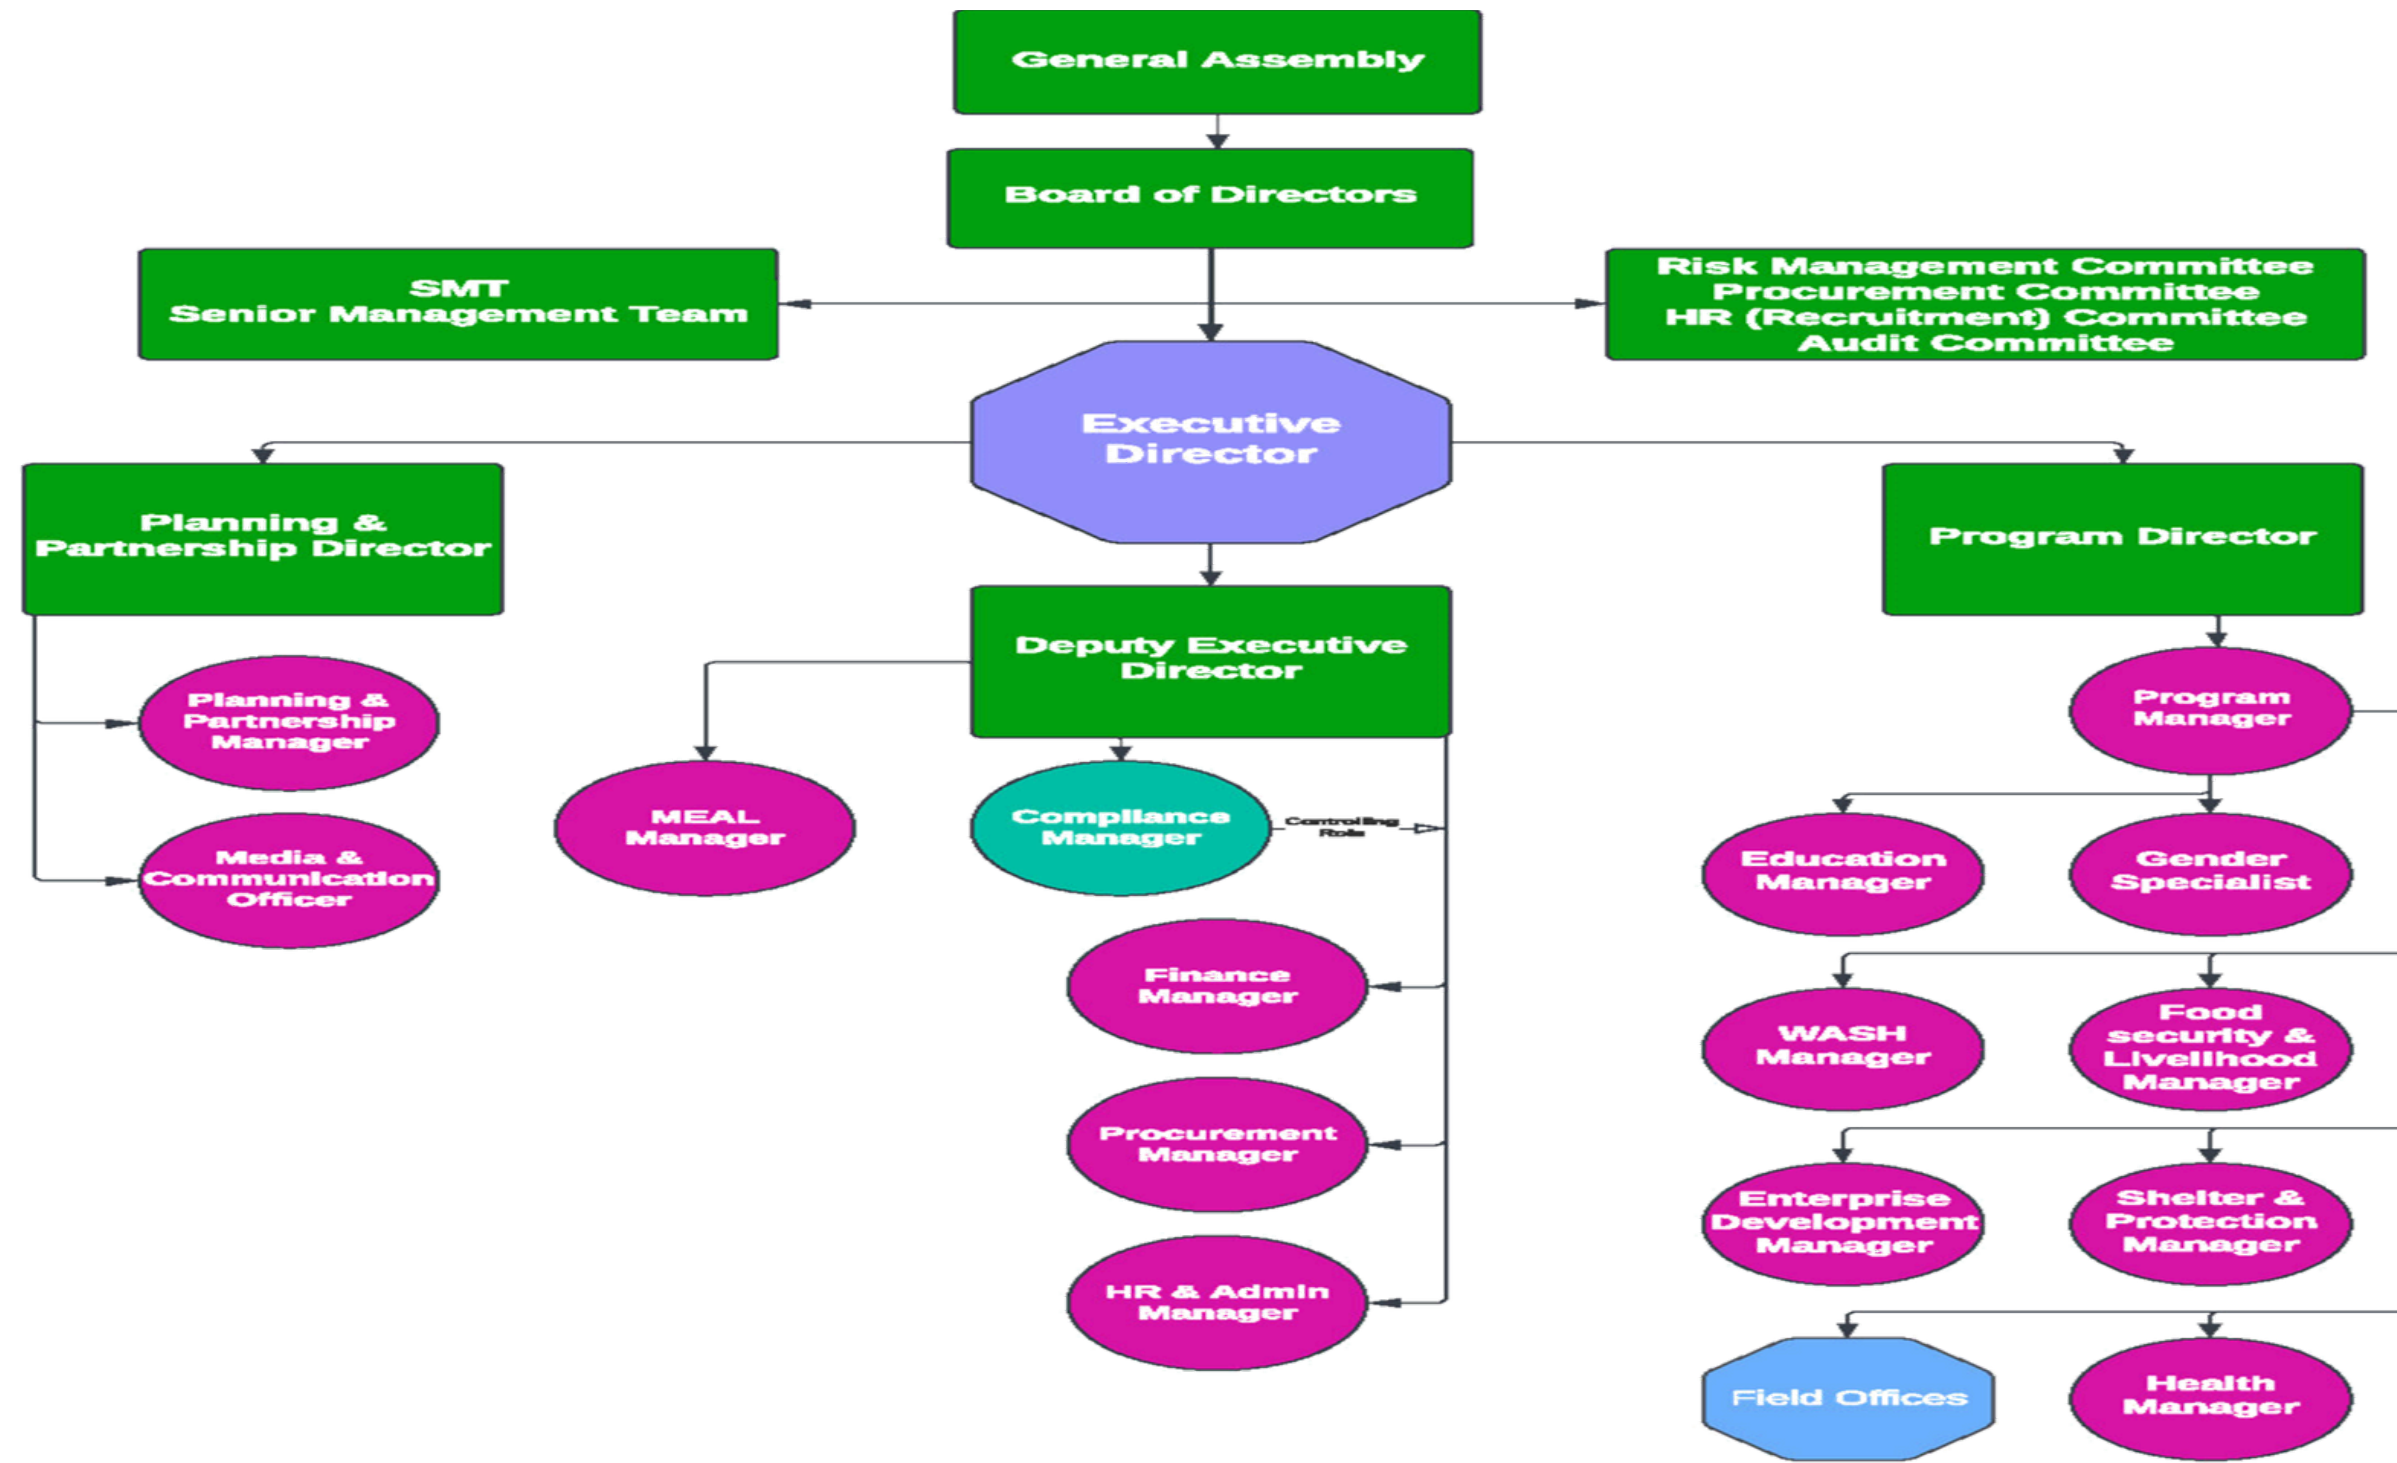

09

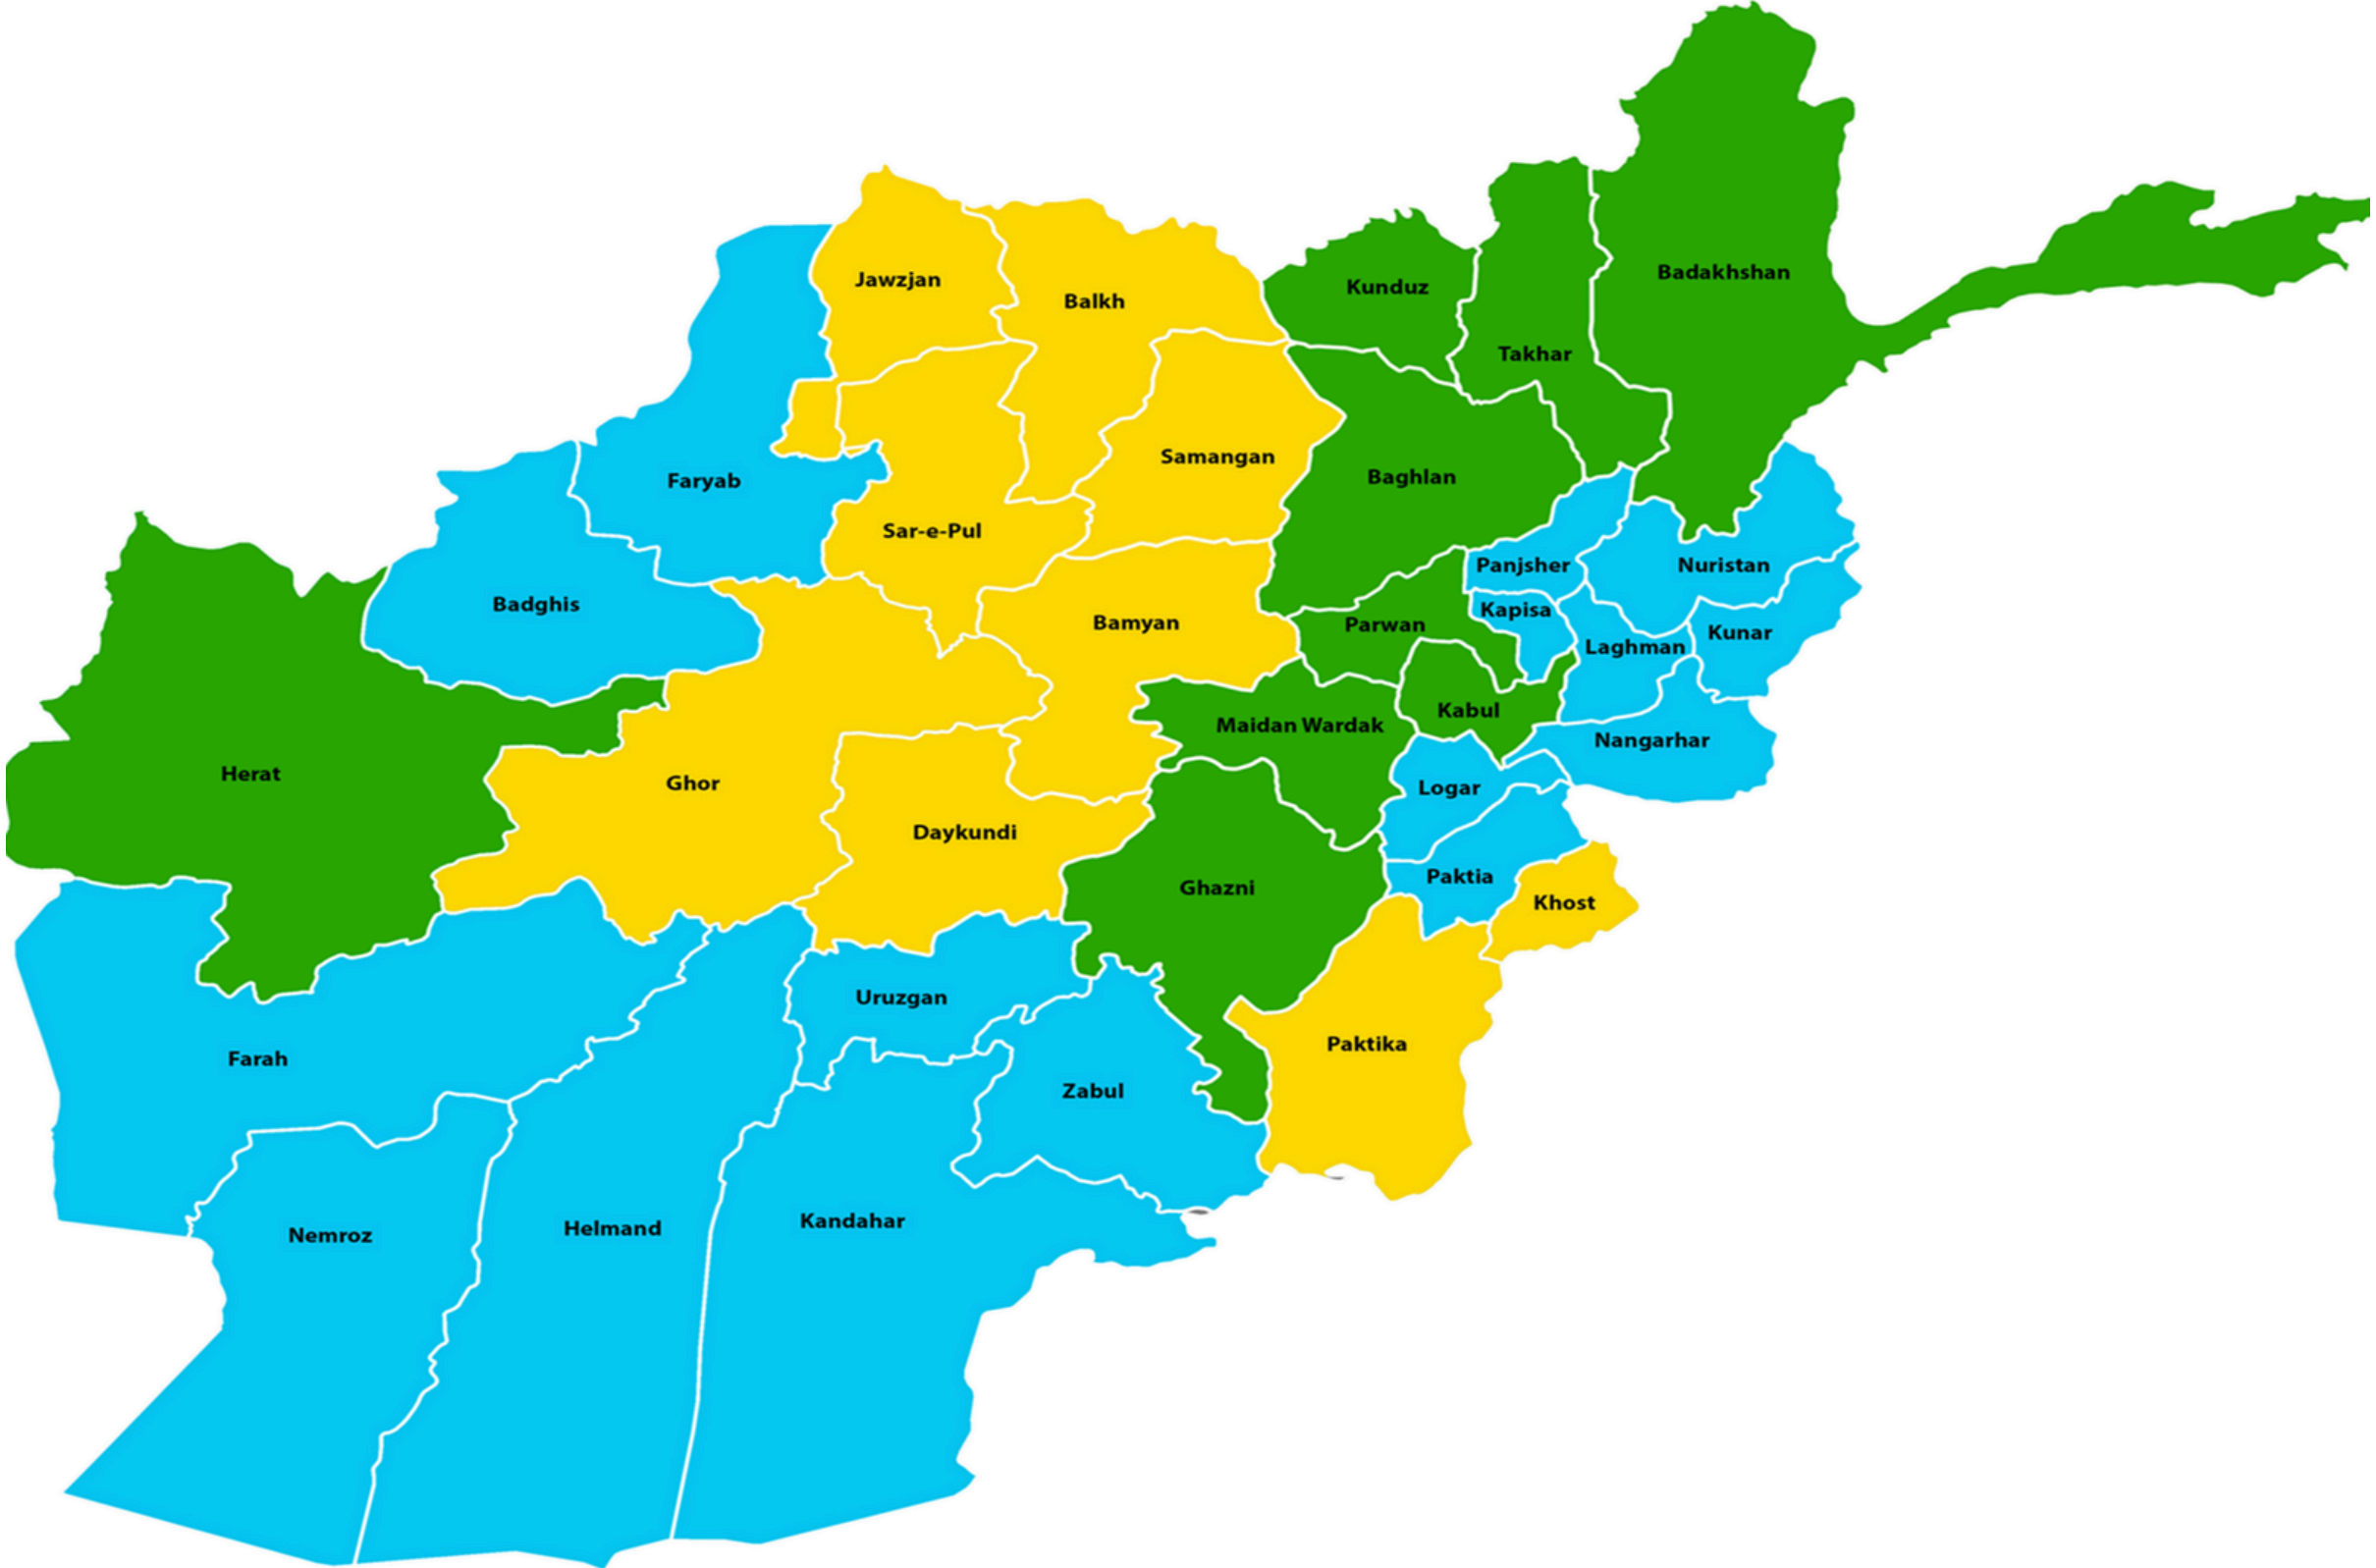

Disaster Risk Reduction and Humanitarian Response

To enhance community resilience and ensure effective humanitarian response through community-based disaster risk management (DRM), need-based humanitarian interventions, and sustainable natural resource management.

ACCOUNTABILITY

We hold ourselves accountable to our donors and partner communities, ensuring transparency and integrity in all our actions.

Our commitment to maintaining low overhead costs reflects our dedication to maximizing the impact of every contribution.

By prioritizing programmatic functions, we ensure that the majority of our resources directly benefit the communities we serve.

From 2018 to 2024, we consistently allocated the bulk of our operating expenses to support and uplift these communities, demonstrating our unwavering commitment to their well-being.
